

# One Voice for Oregon.

The Oregon Coalition of Police & Sheriffs (ORCOPS) is a non-partisan organization that advocates on behalf of police officers, deputy sheriffs, and other individuals in Oregon law enforcement agencies. ORCOPS serves as a source of leadership within the law enforcement community and aims to build trust between law enforcement officers and the communities we serve.

## ADVOCACY

As the single voice in Salem for Oregon's law enforcement professionals, our goal is to advocate for policing throughout the state with both lobbying in the Legislature and communications efforts. Law enforcement professionals should not have to worry that policing and public safety priorities are fairly represented in government while they are busy with the ongoing, good work to keep our communities safe. We take care of advocacy while our members take care of Oregon.

## SAFETY

The safety of law enforcement professionals is our priority and we take on the bills that address the working conditions for law enforcement. Whether PTSD, Body Worn Cameras, or Deadly Force standards, we ensure that the voice of law enforcement is heard.

## LEADERSHIP

"Our leadership team is a strong, energized, and committed Board of Directors with a great reputation and decades of combined knowledge on policing in Oregon."

**WE TAKE CARE OF ADVOCACY WHILE OUR OFFICERS TAKE CARE OF OREGON.**

ORCOPS uses the Portland Police Association office as a home base with an on-staff social media manager, in-house communications, and shared resources so our overhead is minimal.

*Membership dues are \$2 per month per association member; invoiced and payable quarterly.*

## BUILDING LONG TERM RELATIONSHIPS

Our lobbyists have established relationships with elected officials and lobbying groups providing a platform for conversation and connection on the issues that are important to ORCOPS. We keep our member organizations informed with regular email updates throughout the legislative session and beyond. Member organizations are encouraged to distribute updates to their membership.

***ORCOPS members are part of the only law enforcement advocacy group in Oregon with a proven history of influence and representation in the State Legislature.***
